**CASE NO. 21-30923 (MI)  
(Chapter 11)**

**ORDER ON AMENDED LIMITED OBJECTION TO ADMINISTRATIVE STATUS OF  
CLAIM NO. 155 OF LARRY PEGGS**

CAME ON to be considered this day the Amended Limited Objection to Administrative Status of Claim No. 155 of Larry Peggs (the “Claim Objection”), objecting to the asserted administrative priority status of the Stretto Claim No. 155 (the “Claim”) and seeking to reclassify the Claim as a Class 5 – Consumer Claim. The Court, having reviewed the Claim Objection, the confirmed Plan, the record in this case and having considered the evidence presented in support of the Claim Objection and argument of counsel, is of the opinion the Claim Objection is well founded and cause exists to sustain same. It is accordingly,

ORDERED, ADJUDGED AND DECREED the Claim Objection is granted; it is further

ORDERED that the Claim shall be and hereby is disallowed as an administrative priority claim; it is further

ORDERED that the Claim shall be classified as a Class 5 Consumer Claim under the Plan; it is further

ORDERED that this Order seeks only to determine the correct classification of the Claim, without determination as to the amount, validity or nature of the Claim, which determination, if any, shall be reserved for future disposition.
